

Patrick Agemian is a Principal of GFM, having joined in 2010. He is widely experienced in hedge fund administration, having been a Managing Director for Citco Fund Services (“Citco”) prior to joining GFM. As a member of the Citco Management Team, Patrick had direct responsibility for the operations of the Cayman Islands office. Citco has established itself as the market leader in hedge fund administration providing services to the seminal names of the fund industry.

As the Managing Director of Citco Cayman, Patrick oversaw all aspects of the business, including fund administration, investor relations & corporate services. He also served on the board of various Citco entities and Cayman registered hedge funds. Patrick was a former Director and founding member of the Cayman chapter of Hedge Funds Care and is a past member of the Executive Committee of the Cayman Islands Fund Administrators Association.

Prior to joining Citco in 1995 Patrick was employed by Deloitte & Touche in the Cayman Islands and Samson Belair, Deloitte & Touche in Montreal. Patrick is a member of the Chartered Professional Accountants of Quebec and the Cayman Islands Institute of Professional Accountants. He received a Graduate Diploma in Public Accountancy from McGill University and a Bachelors of Commerce Degree from Concordia University.
